

QUARTERLY ISSUES REPORT

WHYY-TV

FOR THE PERIOD OF April 1, 2006 – June 30, 2006

The license of station WHYY-TV has determined that the following issues were of importance to the Delaware Valley community during the past three months and has aired the following programs to address these issues:

1. AGING

BOOMERS! REDEFINING LIFE AFTER 50 “Leaving Legacy”

4/2/06 12:00 PM 30 MINUTES DOCUMENTARY

Meet a Boomer couple who, in their 50s, decided to give back by joining the Peace Corps. Learn how Civic Ventures founder, Marc Freedman, is changing attitudes toward aging. Drop in on a meeting of the Hestia Fund, a giving circle of Boomer women who run their own charity and learn the Dance of Tennis.

INDEPENDENT LENS “Almost Home”

4/7/06 11:00 PM 90 MINUTES DOCUMENTARY

This film shot on location in a nursing home, tells real stories of aging: couples bonded and divided by disability; children torn between caring for their aging parents and their own families; attendants doing unsavory work for poverty wages; and a visionary nursing home director committed to changes that could remove the nursing home stigma.

CAN YOU AFFORD TO RETIRE? (FRONTLINE)

5/16/06 10:00 PM 60 MINUTES DOCUMENTARY

The program examines how retirement strategies are in trouble. Buffeted by pension cuts, corporate bankruptcies, and the 2001-2002 stock market crash, most boomers now expect to be working into their retirement years.

2. HEALTH/HEALTHCARE

THE NEW MEDICINE

4/2/06 4:30 PM 60 MINUTES DOCUMENTARY

The program looks at extraordinary changes taking place in the field of “integrative medicine,” and explores how medical researchers, physicians, insurance companies and medical schools are changing the way medicine is practiced in America. The late Dana Reeve, who passed away from lung cancer in March, hosts and speaks about her belief in the healing power of “the new medicine.”

CIRCLE OF CARE: THE ARTS IN MEDICINE

4/2/06 6:30 PM 90 MINUTES DOCUMENTARY

This WHYY original documentary explores how the creative arts are used to aid communication in healing and healthcare. The half-hour film visits hospitals, rehabilitation centers, adult residential communities and art, theater and dance classes throughout the greater Philadelphia region to intimately witness the process of emoting, communicating and sometimes healing through artistic expression.

MALARIA: FEVER WARS

4/6/06 9:00 PM 120 MINUTES DOCUMENTARY

Malaria is the forgotten plague of Africa. The disease kills nearly three million Africans every year, yet has attracted little aid or effort in the West because it hasn’t affected western nations directly – until now. This program highlights the recent outbreak of malaria in Florida and its possible resurgence in the West. Award-winning documentary filmmaker Kevin Hull filmed across three continents to chart the spread of the disease, and underscore what he sees as the scandalous way it’s been.

AMERICAN EXPERIENCE “The Boy in the Bubble”

4/10/06 9:00 PM 60 MINUTES DOCUMENTARY

The documentary focuses on the tragic story of David Vetter – the boy in the plastic bubble – who died at age 12 and the medical team who cared for him. The program raises some of the most difficult ethical questions.
